It is designed to help you take full advantage of our services, with virtually everything you need to know about using CityLink. If you have any questions that are not answered, please feel free to call us at **(309) 676-4040**. We'll be glad to assist you!

HOW YOUR CITYLINK SYSTEM WORKS

CityLink provides bus service to several communities in the Peoria area. CityLink passengers are now using a temporary transfer site at Hightower and Garrett until

our permanent facility is completed next summer at Harrison and Adams. The location offers shelters and a number of bus benches for customer convenience.
