RFQ Proposals Tabulation

PROJECT: Architectural & Engineering - Building Design and Renovations,
RFQ #FED2014-14

PROPOSALS DUE: November 19, 2019

Eight (8) proposals were received. All proposals were reviewed and evaluated by an ad-hoc committee. Using the Brooks Act, the ad-hoc committee scoring determined the proposer that best met the qualification criteria outlined in the RFQ. Proposers were listed in order of their overall score from highest to lowest.

The results are as followed:

<i>Firm</i>	<i>Avg Score</i>
Muller & Muller	8.49
Farnsworth	8.34
Cordogan Clark	6.18
Dewberry	5.99
Richard A Bowen	5.96
Kluber	5.93
A Epstein	5.88
Farr/Urban	5.45

Muller & Muller, Ltd received the highest score. Under the Brooks Act, the next step is to negotiate fair and equitable rates including overhead rates with the highest scoring Proposer. If the General Manager cannot reach fair and equitable rates agreement with Muller & Muller, Ltd, the General Manager will cease negotiations and will proceed to the next highest scoring Proposer listed. This process will repeat until a fair and equitable rates agreement is secured with a listed Proposer.
