*Everyone: Sent on behalf of Trustee and ADA Chair Patti Sterling Polk:

We are coming down to crunch time to get our invites emailed out to all, and so far we don't have feedback from our group regarding vendors or whom you all would like to invite. We have much to do to get this out and responses back to prepare for the space, food, etc. So, please come to the meeting with your vendors/invitees you want to invite with emails . . . if they need a table, or if they need any AV materials, etc. or any other pertinent items.
