ADDENDUM # 1 – Questions and Clarifications

#	Questions submitted or asked	Response from GPMTD
1	2-6 Will Contractor's service personnel be required to move any transit buses to and from the service bay or outside transit yard?	<i>Contractors service personnel will never operate our transit bus.</i>
2	2-6 Will GPMTD provide a list of service equipment lessor will need to provide and any service equipment GPMTD will have available to lessor?	<i>GPMTD provides a 3rd party service to remove the tire from the rim and to install tire to the rim. Lessor will not need service equipment. Lessor will have to load and unload new and used tires into storage.</i>
3	2-6 Will GPMTD provide compressed air and electricity for service equipment?	<i>No need service equipment needed.</i>
4	2-6 Will GPMTD consider TPMS as an option for service?	<i>TPMS will be as needed, GPMTD plans to release an RFP for the service separate from this bid.</i>
5	2-3 Please confirm if cost for service personnel and equipment will need to be included in the mileage rate. Would GPMTD consider a separate monthly charge for service and equipment.	<i>Our tire service is completed by a 3rd party not related to lessor</i>
6	2-6 Please confirm if Dial-a-Ride vehicles are included in the service requirements. Reason: 225/75R16 tire size is not listed in description of transit vehicles.	<i>We have no Dial a Ride service and we have no 225/75R16 in the scope of work.</i>
