

CityLink

ON THE MOVE

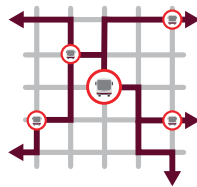

CityLink on the Move is a comprehensive study of CityLink routes, schedules, and ridership, as well as regional population, employment, and travel patterns. The outcome of the study will be a five-year plan to improve CityLink service.

THIS PLAN WILL:

Evaluate current bus service and ridership trends

Determine how well CityLink is serving the needs of the region

Identify service gaps and improvement opportunities

Collect input from riders and community members

HOW YOU CAN HELP:

Give feedback on current service and suggest improvements.

Take a quick survey and tell us how CityLink should invest in the future.

Let others know about CityLink on the Move by sharing on social media.
