Friendship House, WMBD, Kroger, and Cumulus Radio also assisted with this effort. Trustee McBride stated that it shows truly how generous our community is. 8. Report of the CityLift General Manager: Chad Betts presented the following to the Board for November, 2019

Chad Betts first wanted to report the fact that one of the CityLift employees, Eva Monroe, ranks 8th out of 10,000 employees as far as no drive cam incident since 2012. We are all very proud of her accomplishment. The average person goes about 189 days without a coachable drive cam incident, while Eva has gone 2500 days without one.

11. Old Business:
There was no old business

12. New Business:
A. Chad Lucas from Sikich came to give an overview of our audit. The audit report is a comprehensive annual financial report that GPMTD submits to the government finance officers association for the certification of achievement program. GPMTD goes above and beyond the basic requirements of Finance reporting. The “unmodified opinion” included in the audit states that based on testing, all the items included in the financial statements are fairly presented. The Financial statements were unusual this year, the first being the statement of revenues, including the transfer of assets and operations related to CountyLink; secondly, the changes that occurred to the retirees retirement plan. Chad stated there were no difficulties completing the audit, and there were no disagreements with management.

B. Board dates were published and approved, with May 4, 1970 celebrating 50 years of the District. May 6, we shall have a celebration from 4:30-7:00 PM. There is a change for October, as Board may be attending APTA, and that date will be October 5, 2020.

C. Resolution 20-22 Award recommendation for purchase of wrecker tow truck from Truck Centers, Inc., in an amount not to exceed $391,724 - Steve Green
We received 2 responsive and responsible bids for the above, and at this point we need to replace our current truck purchased in 1991. We are asking the Board for approval to purchase the wrecker tow truck from Truck Centers, Inc., for an amount not to exceed $391,724. Trustee Lee made the motion to approve, and Trustee Krupa seconded the motion. Roll call taken. Motion passed.
